# EC CERTIFICATE OF CONFORMITY

**0359-CPD-0138**

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

**Honeywell ceiling mounted loudspeakers for use in fire detection and fire alarm systems**

(refer to attached appendix for details and conditions)

placed on the market by:

**Honeywell Life Safety****12 Clintonville Road, Northford, CT 06472, United States of America**

and produced in the factory by:

**Life Safety A/V (Guangzhou) Co., Ltd****No. 257 (Building 3, Floors 1-2) Jun Ye Road, Guangzhou GETDD East, 510530, China**

Is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. **0359 - Intertek Testing & Certification Ltd** – has performed the initial type- testing for the relevant characteristics of the product, the initial inspection of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the product performance described in Annex ZA of the product standards

**EN54-24: 2008****Fire detection and fire alarm systems – Part 24: Components of Voice Alarm Systems - Loudspeakers**

were applied and that the product fulfils all the prescribed requirements.

This certification was issued on 6<sup>th</sup> February 2012 and remains valid as long as the conditions laid down in the harmonised technical specification above, or the product design, or the manufacturing conditions in the factory, or the FPC itself are not significantly changed.
